You have to wonder if your ancestors might have gazed upon the very same courtyard, in a very different time, and felt the very same feeling of contentment.

Antiqued Pavers. Rustic charm meets modern convenience.

Antiqued Pavers look like they've been carved from stone. Each block has been through a process that creates an Old World weathered feeling. Available in the popular Holland-Stone™ and Appian-Stone® styles, Antiqued Pavers are an excellent choice for residential, commercial and municipal projects. In addition to having the feel of an instant classic, Antiqued Pavers are available in a variety of colors and design patterns that truly stretch your creative ability. And beyond their unique visual appeal, Antiqued Pavers have the same intense durability that you'll find in all PaverSystems™ products.
