Lounge by the pool, work in the garden or go out on the town. How will you spend your weekend? Whatever you do, there's a smooth stretch of earth with your name on it.

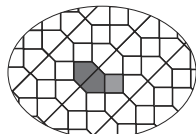

City Series™ Unlimited design. Unlimited fun.

The array of patterns you can create with the City Series™ is truly dazzling. With four sizes of City-Square pavers, combined with the City-Diamond paver, you can make almost any design imaginable. With a huge selection of color choices, you could dream up something different every day and still not exhaust your options. Like all PaverSystems™ pavers, the City Series™ is made to withstand heavy traffic—whether it's in a public space or your own backyard.

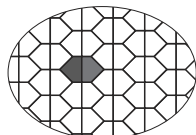

City-Square comes in four shapes and forms the foundation of the City Series™. City-Diamond has a dramatic shape that accents the four City-Squares. All City Series™ pavers can be installed in individual patterns or in combination with other City-Square or City-Diamond pavers. Together, you can create a new pattern and design for just about any project.
