Runner

The birdbath, the pool, the first August rain; water changes everything it touches. Clean and refreshing, it makes color bright and turns a glowing surface into a deep, dark palette.

Cobble-Lock™ Patterns that transform space into design.

Courtyards, patios, plazas, decks or just about any project takes on a simple sophistication using the Cobble-Lock™ paver. Two squares and a hexagon combined in a single unit create a small-scale, elegant pattern that is distinctive as well as highly durable. Available in a wide range of earthtones, pastels and color mixes, the Cobble-Lock™ enhances its surroundings with quiet distinction.

Front and Left: Cobble-Lock™ pool deck in a Runner pattern.

Below: Multi-colored Cobble-Lock™ stones in a Runner pattern with a Holland-Stone™ border.

COBBLE-LOCK™

7 3/8 x 9 1/2 inches (185 x 240 mm)
2 3/8 inches (60 mm) thick
Approx. 3.23 pavers/ft²

The PaverSystems Quality Assurance™ Our pavers are designed to the highest standards for durability, color and texture. All PaverSystems™ pavers comply with or surpass ASTM C-936-01 standards.

Colors printed here are reproduced as accurately as possible; however, every paver is unique and may not exactly match what you see. For the best idea of actual color and texture, ask your installer for samples of your favorite pavers.
