After a while, every place starts to look the same.
 To create a sense of wonder, you've got to really get
 away from all of it. You've got to create something new.

Hexagon-Stone™ Six sides. A hundred ideas.

Durability and beauty are the hallmark of any paver.
 Hexagon-Stone™ delivers both with a vengeance. Its
 large, unique shape is the foundation of signature
 projects. Commercial, municipal and residential sites
 are each enhanced by its honeycomb design. Add
 colors and blends and watch your next project come
 to life.

The Paver Systems Quality Assurance™ Our pavers are designed to the highest standards for durability, color and texture. All PaverSystems™ pavers comply with or surpass ASTM C-936-01 standards.

Colors printed here are reproduced as accurately as possible; however, every paver is unique and may not exactly match what you see. For the best idea of actual color and texture, ask your installer for samples of your favorite pavers.
