Somewhere in Europe there's an alley lined with quiet shops that live behind ancient oak doors. Under a weathered awning, there's a bakery that smells like heaven. Next door, an old lady watches everyone. And smiles.

Holland-Stone™ Old World charm. Let it take you there.

How can something so simple create so many settings? The Holland-Stone™ features a classic rectangular brick shape whose applications are limited only by the imagination. Combine colors, blends and patterns to build a site that demands attention. Commercial and industrial designers find the Holland-Stone™ indispensable for public spaces. And residential surroundings quickly take on an air of simplicity and excitement with this beautiful and durable design. Whatever you plan, keep Holland-Stone™ on your list of choices.

Front: Holland-Stone™ in a 90° pattern accents this home's bold look. **Below:** Multi-colored Holland-Stone™ adds charm and character to this zoo exhibit entrance. **Left:** Multi-level pool deck features Holland-Stone™ in a 90° pattern.

The PaverSystems Quality Assurance™ Our pavers are designed to the highest standards for durability, color and texture. All PaverSystems™ pavers comply with or surpass ASTM C-936-01 standards.
