Take the best of Europe, the best of America and the best of your imagination. Now you're building something that looks back at you with distinction.

Mini-Holland™ Old World charm. New World design.

Like the classic Holland-Stone™ Mini-Holland™ delivers real curb appeal and elegance to your home. Its rectangular shape has many applications. Its refined style quickly adds value to your home and your life. Colors, blends and patterns build a site that demands attention. Commercial and industrial designers find the Mini-Holland™ particularly useful for public spaces. And residential projects become simple and exciting with its beautiful and durable design.

Colors printed here are reproduced as accurately as possible; however, every paver is unique and may not exactly match what you see. For the best idea of actual color and texture, ask your installer for samples of your favorite pavers.
