Lunch on the patio turns into an afternoon by the pool. You have one of those long talks that lasts into the night. And you remember how it was back in the day.

**Paver Tiles™ Thin is in.**

Paver Tiles™ are designed for pool decks, walkways, plazas and courtyards. They are especially suitable for large-scale overlay projects such as condominiums, office and retail complexes and hotel pavement renovations. Many homeowners find them ideal for residential remodeling. Paver Tiles™ are available in two popular styles— Appian-Stone® and Holland-Stone™ with two choices of coping. Using these styles, a wide variety of patterns, colors and textures can be achieved.

Please note that Paver Tiles™ were created for pedestrian usage and are not recommended for vehicular traffic.

Enhance the beauty of your pool and patio area with our various colored coping available in Bullnose or Remodel styles.
