The sound of horse hoofs on a cobblestone street.  
The charm of North America's oldest city.

**St. Augustine™ – take a step back in time.**

The St. Augustine™ paver is a 4 stone system that features a chiseled edge and textured top. Combine the 4 stones in a variety of ways to create charming walkways, patios, or driveways. Turn your project into something historic with St. Augustine™ by Paversystems.™

St. Augustine™ pavers look like they've been carved from stone. Each block has been through a process that creates an Old World weathered feeling. St. Augustine™ pavers are an excellent choice for residential, commercial and municipal projects. In addition to having the feel of an instant classic, St. Augustine™ pavers are available in a variety of colors and design patterns that truly stretch your creative ability. And beyond their unique visual appeal, St. Augustine™ pavers have the same intense durability that you'll find in all PaverSystems™ products.
