Uni-Decor® Build your world around something beautiful.

Uni-Decor®'s usefulness and classic style has made it a universal favorite for residential and commercial projects of all kinds—from walkways to driveways to patios, terraces and pool decks. Combining two distinct shapes in one paver, Uni-Decor® can be installed in a herringbone or runner pattern. The overall surface design remains the same, while colors and blends let you highlight contemporary or traditional nuances in whatever setting you create.
