You're on vacation. Five full days of bliss, sun, swimming and shopping. Or maybe nothing to do all day. Pulling off the road, your tires rumble gently over a textured drive. Suddenly, the hotel looks even better than you imagined. Let the holiday begin.

The unique shape of the Uni-Stone® paver is as dramatic as it is tough.

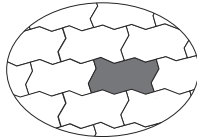

Especially suited for high traffic areas, Uni-Stone® is a mainstay of the paver industry. It is extremely versatile and has a well-earned reputation for strength and creativity. Uni-Stone® works equally well in commercial and residential settings. Its unique zigzag shape gives designers, builders and architects a means to fully express ideas. Color choices, combined with several pattern options, make it a beautiful and practical choice for just about any project.
